Re: Notice for Request for Public Comments on Risks in the Semiconductor Supply Chain (BIS-2021-0036)

To Whom it May Concern,

Please find attached Lattice Semiconductor Corporation's ("Lattice") response to the request for public comment on the risks in the semiconductor supply chain. Per instruction, Lattice has provided two responses. The file labeled BCLatticeSemiconductor contains confidential commercial and/or financial information that is protected from public disclosure under Exemption 4 of the Freedom of Information Act. Lattice has also provided a file labeled PLatticeSemiconductor, which excludes confidential commercial and/or financial information..
