**RE: Justification for Filing Non-Public Business Confidential Comments re 87 Fed. Reg. 62186 (Oct. 13, 2022), 87 Fed. Reg. 74966 (Dec. 7, 2022); RIN 0694-AI94; Docket No. 220930-0204**

Dear Ms. Albanese:

Teradyne, Inc. (Teradyne) is submitting a public and a non-public version of its comments on the above-referenced Interim File Rule. The justification for Teradyne's submission of a non-public version and a redacted public version is that Teradyne's comments contain sensitive business and confidential information that is the type of information exempt from the public access provisions of the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552. Such information, if disclosed, could adversely affect the financial position of Teradyne and the normal conduct of its operations.

If you have any additional questions or would like to discuss this justification further, please contact me at 978-370-1189.

Sincerely yours,

*Charles Gray* (electronic signature)
